**Raul Jose Mattos**

in Argentina

humbled himself and was able to be set free from “Panspermian” philosophy and religious confusion primarily through contact with our websites and that of brother Homero Shappley. Please pray for Raul as he grows in Christ.

## Multiplying!!

That is what happens when we make the tools of evangelism and edification accessible to anyone who is willing to learn and freely share. That is what happens when we give up the control and the glory to the Lord and help other faithful servants to understand that there are literally millions of people out there who are searching for simple biblical Christianity.

## Sowing the Seed

**Over 23 Million Studies Accessed in 9 months!**

**7,000,000+ People reached through our ad on Facebook in addition to 2,950,899 studies accessed online in September**

## Local Spanish work still going strong!

In May of this year, we started our Spanish congregation at Jackson Street. We had 13 in attendance. Since then, we have averaged between 20 and 25 with a record high of 31. There have been 3 baptisms and we have been blessed with the opportunity to meet physical needs of two of our visitors. Please continue to pray for this growing work. The Lord is doing great things in this local work! To Him be the glory!

**It is all because of God's Truth & God's Gracious Blessing**

## Honduras

Look out Honduras!! We are making plans to host our 3<sup>rd</sup> annual workshop in Tegucigalpa, Honduras. The plan is to have workshops on back to back days so we can train more people in this area. Please be praying we make the best of this opportunity to show the brethren in Honduras what a great and free resource we have to offer them as they seek to plant the seed.

Thanks for making these resources available all around the world! May God bless us all as we continue to serve Him in this capacity.
