Results of a sermon from Margen Vasquez who has studied every course we offer. This happens regularly. 

"O ye of little faith..." If these words hit home for us, what does it say about our faith? When I read these words in their context, it is easy to judge those who had Jesus beside them and still had doubts. In our Spanish ministry, we set goals each year and God amazes me every year with the growth He provides within this ministry. We set a goal to reach an average of 3 million bible studies downloaded each month. After January and February, we had record breaking months but still had not reached 3 million which was disappointing and confusing. Doubt set in but we kept moving forward. We changed our marketing strategy just a bit and prayed and God responded. Last month there were 4,130,308 Bible studies downloaded and there have been 22,536,040 studies downloaded so far this year which is an average of over 3.7 million per month!!! God is so good! Miguel Alata Marin is a long time student of our courses. He works in Lima, Peru and does a great work for the Lord's church. Please be praying as they continue to evangelize in Peru.
